official memo

■-22-3012/OIG

DATE: April 21, 2022

TO: Chief of Staff ■
Deputy Director for Global Integration ■

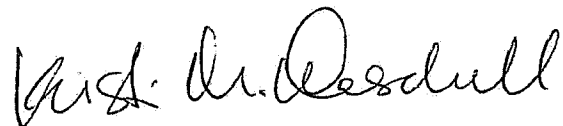

FROM: Office of the Inspector General

SUBJECT: ■ Announcement of the Defense Intelligence Enterprise Management Capstone, Project 2022-2003

REF: a. ■ DIA Directive 5100.200, "Inspector General of the Defense Intelligence Agency," January 7, 2014. ■

1. ■ As a result of our continuous research and assessment of risk, we are initiating a capstone project on DIA's management roles and responsibilities for the Defense Intelligence Enterprise (DIE). We will identify and analyze common themes in findings, conclusions, and open recommendations from applicable published OIG reporting on DIA's roles and responsibilities related to management of the DIE.
2. ■ We are gathering preliminary information for this project, and estimate our fieldwork will begin in May 2022. Our work will involve reviewing our prior OIG reporting; however, we may interview senior officials and request records and documentation relevant to the project objective.
